A Note from the Director

Parents we need your help identifying your children's belongings. Please label all items and attach a bag/luggage tag to your child's backpack to help all teachers/directors identify your child's items. Additionally, we ask that all backpacks be put in cubbies rather than on hooks. This is for your child's safety. Thank you for your help and understanding.

Scholastic Book Club orders are due Wednesday, February 22nd.
